

18th Annual MLRC Golf Tournament

Monday June 3th, 2019 | 10am

Salish Cliffs Golf Club at Little Creek Casino Resort, in partnership with the Squaxin Island Museum Library and Research Center is excited to host the 18th year of the Squaxin Island Museum Golf Tournament; a benefit event for the “Home of Sacred Belongings” of the Squaxin Island Tribe.

The programs of the Museum play a pivotal role in the continued cultural enrichment and skill development of tribal members, from infants to elders. Classes, exhibits, gatherings and job training are just a few of the services provided to the community. Through these programs we are able to conduct outreach to local schools, businesses and the general public to strengthen ties and the economic base of our tribe. Your participation is important to the pipeline of knowledge and understanding shared between our communities.
