Teaching Philosophy

I have been lucky to have learned from top instructors including Jim Flick, Stan Utley, putting guru Marius Filmalter and PGA of America’s 2011 Teacher of the year Mike Malaska. I have used and incorporated their knowledge into my own “keep is simple” teaching style. My goal is for students to walk away from a lesson knowing cause and effect and be able to work on their own swing.

Favorite golfer: Tiger Woods

Favorite golf course played: Ke’Olu course at Hualalai Golf Club, Big Island, Hawaii

Best golf tip: When you are learning anything new in your golf swing start small and slow then work your way to big and fast.

Favorite thing to do when not golfing: Spend time with my family and play sports.
